

# Jog-a-Thon

## March 7th and 8th

Dear Parents,

On March 7 and 8, our K-8 students will be participating in our biggest K-8 fundraiser of the year, a Jog-A-Thon! Your child's PE class will be devoted to running and raising money for our **Worthy Student Fund**. Grades K (Phelan), 1- 2, 5- 6, and 7-8 will be running on Monday, March 7, 2022 and all other Grades classes K (Strubelt) and 3-4 will be running on Tuesday, March 8, 2022.

**Our goal is \$50,000 to cover the rest of this school year's Worthy Student Fund.**

How can you help your student?

- Help them obtain sponsors (friends, family, neighbors, & church members).
- Record the information on the sponsor sheet included. Additional forms on the school website: [www.mgaes.org](http://www.mgaes.org) under "Quick Links".
- If the sponsorship is for a set donation, please collect the money right then. The money and sponsor sheet should be returned to the office by Tuesday, March 15, 2022.
- If the sponsorship is pledged per lap, please turn in the money within the week after the Jog-A-Thon, by Tuesday, March 15, 2022. Winners of the "Most Amount Raised by Student" and "Most Amount Raised by Class" will be announced at chapel on April 1, 2022.
- Please remember to send a water bottle.

We have some fun prizes to offer as a small thank you for your child's excellent participation! We will be looking for assistance in helping count laps. If this sounds like fun for you, please let the office know! We'd love to have your help, you will have to have volunteer approval and proof of Covid-19 vaccine or an approved medical/religious exemption from the OR conference. Let's make this an event for the kids to remember!

Sincerely,

Renee Aitchison
