

MEADOW GLADE

Adventist Elementary

Learn | Love | Serve

December 2, 2025

Dear Meadow Glade School Family & Friends,

As we go through this season of gratitude and giving, we are reminded of the blessings of our Meadow Glade Adventist Elementary community — a family bound by faith, care, and the shared mission of nurturing young minds for God's glory.

This year is especially meaningful — Meadow Glade Adventist Elementary concluded celebrating its **125th anniversary**, and we are blessed to be a **debt-free school from our school remodel**. As we rejoice in this milestone, we also look forward with hope. At the end of this banner year, we invite you to take part in our Christmas Giving Tree by making a gift to Meadow Glade — a present to your child, their teacher, and their learning community — to enhance their MGAES experience in ways they will feel every single day.

Your gifts will help us provide:

Library & Physical Education Resources that promote and nurture life long readers and promote physical health and active play.

Teacher Resources that spark curiosity, deepen & support daily learning, and nurture thinking learners.

Technology upgrades that ensure equitable access to modern tools for all students.

This year's Giving Tree features a **specific and essential campus-wide project**:

We are seeking to **refurbish and enhance the speaker systems in every classroom** to ensure clear, consistent sound for instruction, presentations, and communications. Updating the speakers in each room comes at a cost, and completing the project school-wide requires a **collective effort**. Our total goal is **\$7,200.00**, and we are inviting **every family** to be part of this improvement by giving **\$25, \$50, or \$100** — **or any amount** that fits your family's ability to participate. When our whole community joins together, every gift adds up and makes this important upgrade possible for our students and teachers.

Each item on our Christmas Giving Tree represents a tangible way to strengthen the Meadow Glade student experience — not only meeting essential needs, but supporting opportunities for every student to learn, grow, and thrive. Click on the highlighted [link](#) or access the QR Code below to make a donation to an area of your choice. Please be sure to **list one of the categories above** when making your contribution.

As Philippians 1:3 reminds us, *"I thank my God upon every remembrance of you."* We are deeply thankful for our school family & community, and the many ways you have supported Meadow Glade through prayer, volunteerism, and generosity.

May your heart be filled with joy as you share the gift of education this Christmas.

With gratitude and blessings,

Mr. Peinado, MGAES Faculty & MGAES School Board
